Making the MASK Difference Luncheon

February 28th 2009 was our 1st Annual “Making the MASK Difference Luncheon. The room was filled with parents and children celebrating kids choosing to make healthy decisions, and the continued success for MASK. Since our organization is about children we wanted to include kids in the festivities. We had Centre stage Dance Studio perform for our luncheon and was joined by our surprise guest the Phoenix Suns Gorilla..

The kids had fun decorating MASKs for Our October 2nd 2009, “ MASKer Aide Night Gala.” (Just Parent Fundraiser)

We had raffle prizes and a silent auction. It was such a great experience, and the children had such a great time. Thank you to everyone who helped make this such a great success.

For the KIDS.....

Awareness through the **ARTS**

Is in the works... We believe that making awareness a "COOL thing for kids" will strengthen them at the core. We have developed a concept of "Awareness through the arts", where we want to incorporate kids talents into bringing awareness to other kids and families. We are looking for kids who will be entering Middle School , in Middle School or HighSchool who can sing, dance,act, plays musical instruments (guitar, sax, piano,ect.) or anyone who wants to be part of the project. We will be putting on shows throughout the school year to spread the MASK awareness. If you would like to find out more information please contact Kimberly Cabral 480-250-4336.

Support March MASK Madness Lip Gloss Fundraiser MASK will benefit 30% of proceeds from Lip Gloss Sales
